This clause 1.1 does not affect any of your rights under the Protection Eviction Act 1977. We cannot evict you without a court having first made an order for possession.

- 1.2. The allowance for the payment of Rent by way of instalments is made on the express condition that each payment is made in full on or before the relevant due date. If any payment is missed or if any payment is not made in full then we reserve the right to demand full payment of the total outstanding amount for all the remaining instalments immediately without further notice needing to be sent and if the payment of the full amount is not received, we have the ability to terminate this agreement.
- 1.3. Whilst utilities (water, electricity, gas) are included within the Rent, we reserve the right to recharge you costs incurred for excess energy consumption and the cost of this as soon as practical. You are responsible for paying any local council tax that is due, or becomes due, during the dates of this agreement. If required to do so by the local council, or by us, you must obtain a student exemption notice and provide a copy of this to the management office at the Property. Though students are usually exempt from council tax, for the avoidance of doubt, you agree that you will be liable for any council tax liability that may arise for any period covered under the dates of this agreement.
- 1.4. Rent is always due in advance. If you fail to pay the rent in advance or on the date due the arrears process will automatically commence which will result in the issue of arrears letters. 3. Late Arrivals

You must move in on the first day of the Residential Period unless agreed otherwise with the Accommodation Team in writing. If you do not move in within a week of the first day of the Residential Period unless you have agreed a later date in writing and/or have paid the 1st instalment of Rent, we shall have the right (but shall not be obliged) to terminate this agreement.

4. Expiry of the Tenancy (However it ends)

You must arrange a suitable time with the Landlord's Agent for an inspection of the Flat, or Flat and Room. The purpose of the inspection is to determine the condition of the Room and whether any charges are to be made.

If any of the following clauses are breached you will be asked to attend a meeting with the Accommodation Team to discuss actions going forward. Please read the following section very carefully to ensure that you understand. Breaching of any of these clauses could result in the termination of this agreement at full financial cost to you. In the event you wish to terminate this agreement, you will be liable for the Rent and any other monies payable under this agreement for the full Residential Period, or, if shorter, for the period until you find a replacement tenant (who must first be approved by us, acting reasonably). To be valid under this clause, applications to terminate may only be made if there is at least 4 weeks of the Residential Period left unexpired after the proposed date of termination. If a replacement tenant is found to take tenancy of the Room for a term which is equivalent to the unexpired Residential Period, the Tenant will be liable for the Landlord's administration charges of £50.00 inc.
